WORLD OCEANS DAY — CORAL REEFS | 2023

The United Nations recognizes World Oceans Day every year to celebrate the world's shared waters, as well as to raise global awareness about the crucial role oceans play in our lives and the ways in which we can protect them.

The theme for World Oceans Day 2023 is "Planet Ocean: Tides are Changing".

Coral reefs are well known as some of the most beautiful, biologically diverse, and delicate ecosystems in the world. They are also vital to maintaining the food supply and protecting the shoreline of low-lying island nations.

COP 15 BIODIVERSITY | 2021

Despite ongoing efforts, biodiversity is deteriorating worldwide. The UN Biodiversity Conference will convene governments from around the world to agree a new set of goals for the preservation of nature over the next decade through the Convention on Biological Diversity. This post-2020 global biodiversity framework sets out an ambitious plan to implement action and transform our society's relationship with biodiversity. The ultimate goal is to ensure that, by 2050, the shared vision of living in harmony with nature becomes reality.

UNESCO WORLD HERITAGE — GREAT SPA TOWNS OF EUROPE | 2022

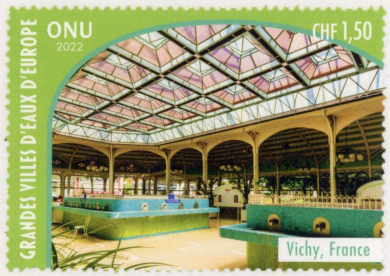

The United Nations Educational, Scientific and Cultural Organization (UNESCO) seeks to encourage the identification, protection and preservation of cultural and natural heritage around the world that is considered to be of outstanding value to humanity. This is embodied in an international treaty called the Convention Concerning the Protection of the World Cultural and Natural Heritage, adopted by UNESCO in 1972. Great Spa Towns of Europe is a World Heritage Site comprising 11 famous historic spa towns and cities in seven countries. Together, they make one "property", inscribed on the World Heritage List on 24 July 2021 as a transnational series. The Great Spas in Austria, Belgium, the Czech Republic, France, Germany, Italy and the United Kingdom represent a unique cultural phenomenon that reached its height in the eighteenth and nineteenth centuries, as well as a particular urban type and form. As a World Heritage Site, it has been given global recognition as a phenomenon that helped to shape Europe

WORLD HERITAGE — WATERWAYS, RAILWAYS AND BRIDGES | 2021

World heritage sites belong to all the peoples of the world, irrespective of the territory on which they are located. Heritage is our legacy from the past, what we live with today and what we pass on to future generations.

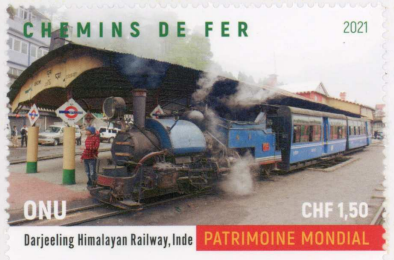

For many years, UNPA has highlighted world heritage sites recognized by the United Nations Educational, Scientific and Cultural Organization (UNESCO), which seeks to encourage the identification, protection and preservation of cultural and natural heritage around the world in recognition of their outstanding value to humanity. This year, UNPA focuses on UNESCO sites featuring waterways, railways and bridges.

DON'T CHOOSE EXTINCTION | 2023

On 20 June 2023, the UN Postal Administration issued new stamps in support of the Don't Choose Extinction campaign.

The campaign was launched by the United Nations Development Programme (UNDP) in 2021 for the COP26 UN Climate Summit and advocates for the reform of fossil fuel subsidies, decarbonization, and accelerated climate action.

The stamps feature Frankie the Dino addressing world leaders to take action before against climate change.

Each stamp sheet has a QR code that when scanned will launch the full video about Frankie in the General Assembly Hall.

INTERNATIONAL DAY OF PEACE
JOHN LENNON – 50TH ANNIVERSARY IMAGINE | 2021

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Living life in peace

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world

Imagine qu'il n'y ait pas de paradis
Essaie, c'est facile
Pas d'enfer sous nos pieds
Et au-dessus, juste le ciel
Imagine que tous les êtres vivent
l'instant présent

Imagine un monde sans pays
Ce n'est pas difficile
Aucune cause pour laquelle tuer
ou mourir
Ni aucune religion
Imagine que le monde vive en paix

Tu me prends peut-être pour un rêveur
Mais je ne suis pas le seul
J'espère qu'un jour tu nous rejoindras
Et que le monde ne fera qu'un

Imagine un monde sans possession
Je me demande si tu le peux
Plus d'avides, plus d'affamés
Une grande fraternité humaine
Imagine que tous les êtres se partagent
le monde entier

Stell dir vor, es gäbe kein Himmelreich
Versuche es - es ist gar nicht so schwer
Es gäbe keine Hölle unter uns
und über uns wäre nur das Firmament
Stell dir vor, alle Menschen lebten
nur im Hier und Jetzt

Stell dir vor, es gäbe keine Länder
Es ist gar nicht so schwer
Nichts, wofür es sich zu töten
oder zu sterben lohnt
und auch keine Religionen
Stell dir vor, alle Menschen lebten
in Frieden miteinander

Du magst mich einen Träumer nennen,
aber ich bin nicht der Einzige
Ich hoffe, eines Tages wirst du
dich uns anschließen
und die Welt wird eins sein

Stell dir vor, es gäbe keine Besitztümer
Ich frage mich, ob du das kannst?
Keinen Grund für Habgier oder Hunger
Wir Menschen wären einander Brüder
Stell dir vor, alle Menschen
teilten sich diese Welt

Each year the International Day of Peace is observed around the world on 21 September. The United Nations has declared this as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples. It is an occasion for all of humanity to put aside their differences and contribute to promoting a culture of peace worldwide.

The year 2021 marked the 50th Anniversary of the recording of "Imagine" by the world-renowned musician John Lennon. UNPA commemorated this occasion with the issuance of stamps and souvenir sheets.

WORLD ART DAY | 2023

Each year, on 15 April, World Art Day celebrations help reinforce the links between artistic creations and society, encourage greater awareness of the diversity of artistic expressions and highlight the contribution of artists to sustainable development.

Art nurtures creativity, innovation and cultural diversity for all people across the globe and plays an important role in sharing knowledge and encouraging curiosity and dialogue.

We must continue to support environments where artists and artistic freedom are promoted and protected. In this way, furthering the development of art also furthers our means to achieve a free and peaceful world.

The designs represented on the stamps are from the UNESCO art collection.
